ADVANCED POTION MAKING

Substitutions
Jobberknoll feathers can be taken from other birds but more will be required.

Warnings
It is very important to clean your cauldron thoroughly but more important to do so is to use the Scouring Stone. **DO NOT ATTEMPT TO HARVEST FLUID FROM THE BIRD YOURSELF.** This fluid and the animal containing it are highly contagious and will be sustained due to overdose, it is a very potent poison.

Be sure to label your storage container so you can distinguish it from other potions.
Although no damage will be sustained due to overdose, it is a very potent poison.
